

A Picture Of Me (without You)

George Jones

G C G

Imagine a world where no music was playing

G D

then think of a church where nobody's praying

G G7 C G

if you've ever looked up at a sky with no blue

G D G

then you've seen a picture of me without you

G

C G

Have you walked in a garden where nothing was growing

G D

or stood by a river where nothing was flowing

G G7 C G

if you've seen a red rose unknissed by the dew

G D G G7

then you've seen a picture of me without you

C G

Can you picture Heaven with no angels singing

G D

or a quiet Sunday morning with no church bells ringing

G G7 C G

if you've watched as the heart of a child breaks in two

G D G

then you've seen a picture of me without you

G D C G

then you've seen a picture of me without you
