Infernal

(CHORUS)

Ooh ooh girl be careful with the boys

Yeah be careful with the boys

Cos they're more than just your toys

Ooh ooh girl be careful with the boys

Didn't mama teach ya that

They'll be coming back yeah(Ooh) You're a girl who can turn the head on every guy

You go by (cos you're fly)

Make it worth your while(And ya better listen up now)REPEAT CHORUSGuys may be nice when you let

Them feast their hungry eyes

On your cute little thighs (little thighs)

But honey watch your back

Don't ya know what they say (say)

If ya turn them away, it won't be pretty

If a mate shouldn't fail to say (fail to say)(So ya better listen up now)REPEAT CHORUS(BRIDGE)

For every heart that you break

You pay some price

No matter how hard you try

They'll bring you downCool, you're just so cool

And tonight you, won't be alone (cool)

And I'm sure you're aware

Cos you feel my stareREPEAT CHORUSREPEAT BRIDGEOoh ooh girl, ooh ooh girl, you pay some priceOoh
