

Making You Wait

Jill Scott

I'm making you wait for the fifth date
I need to know if you're worthy
Making you wait
Never too late
I need to know if you're crazy
I'm making you wait
A-ha, I need to know that you're worthy
I'm making you wait (wait, wait, wait, wait) I'm making you wait
I can't give the sweet of me so quickly
I gotta know if you're strictly
Dictation, saying what you said before to that other girl
You know I gotta find out if it's true, ha-ah, ah, uh-ah, ah, ah I'm making you wait I'm making you wait
Never too late
I need to know if you're worthy
I'm making you wait
Not to frustrate
I need to know if you're crazy
I'm making you wait
Wait, wait
Wait, wait
I'm making you
(You, you, you, you, you, you, you, wait, wait, wait, wait, wait, wait, wait) Hey, I'm making you I need to know
if it's all perpetration
If it's really real
What are you telling me?
I need to see
Without any outside clarification, baby
That's why, I
I really wanna do what you want me to do I'm making you wait
Never too late
(I just can't be that easy)
I need to know if you're worthy
(Just satisfying and pleasing)
I'm making you wait
(I wanna rest out)
Never too late, never too late
(Oh baby, I wanna return)
Wait, ah-ha, ha, ha
(Every thing I tried satisfying on his mind)

I'm making you wait, wait, wait, wait, wait, wait, wait, wait

(Never know what we might find)

Wait-wait, wait, wait

Wait, wait, wait, wait, wait

(You might see me smile)

I'm making you wait, ha, ha, ha

(I'm worth it, I'm worth it)

I'm making you wait

(I'm worth it, I'm worth it)

Ahhhh, ahhhh, ahhhh, ahhhh, ahhhh

(Im worth it, worth it)

Ahhhh, ahhhh, ahhhh, ahhhh, ahhhh

(You deserve it)
