## Never Shout Never

Jane Doe, I don't even know you but I know fo sho that you are beautiful so baby let me know your name. Damn what's her name? 'Cause I'm overly attracted and terribly convinced that she could be my princess and I could be her prince. And, I've felt that way since, since I saw Jane Doe. Jane Doe, I don't even know you but, I know fo sho that I could get to know you if you let me know your name. Damn what's her name? 'Cause I'm overly attracted and terribly convinced that she could be my princess and I could be her prince. And I've felt that since, since I saw Jane Doe. She's everything I want and more. She's everything I want for sure. She's everything I want to adore, and baby I am overly attracted and terribly convinced that you could be my lover, but I think I lost my chance. You had me at first glance. Oh, my Jane Doe.
