Pasted

Smoking Popes

The sky painted all in pastel
I'm pasted on the ground
World of rooms
All designed to keep you down[Chorus]
One day
I'll fly away
And disappear behind the sky
The sky, the sky
The sky, the sky
Behind the skyI've painted a round pinhole
I'm planted on the ground
World of arms
Each one trying to hold you down[Chorus]GoodbyeI don't wanna come back here
I don't wanna lose you againThe sky painted all in pastel
I'm pasted on the ground
World of rooms
All designed to keep you down[Chorus]
