Queen

Perfume Genius

Don't you know your queen
Whipped
Heaving
Flower bloom at my feetDon't you know your queen
Cracked
Peelin'
Riddled with disease
Don't you know meNo family is safe
When I sashayDon't you know your queen
Gleaming
Wrapped in golden leaf
Don't you know me
Rank
Ragged
Skin sewn on sheets
Casing the barracks
For an ass to break and harness
Into the fold
Marry
