

# Queen

## Perfume Genius

Don't you know your queen  
Whipped  
Heaving  
Flower bloom at my feet Don't you know your queen  
Cracked  
Peelin'  
Riddled with disease  
Don't you know me No family is safe  
When I sashay Don't you know your queen  
Gleaming  
Wrapped in golden leaf  
Don't you know me  
Rank  
Ragged  
Skin sewn on sheets  
Casing the barracks  
For an ass to break and harness  
Into the fold  
Marry
