

# Right Down the Line

[Aaron Pritchett](#)

You know I need your love, you got that hold over me  
Long as I got your love, you know that Ill never leave  
When I wanted you to share my life, I had no doubt in my mind  
And its been you, woman, right down the lineI know how much I lean on you, only you can see  
The changes that Ive been through have left their mark on me  
Youve been as constant as the northern star  
The brightest light that shines  
Its been you, woman, right down the lineI just wanna say this is my way  
Of telling you everything I could never say before  
Yeah, this is my way of telling you that everyday  
Im loving you so much moreCause you believed in me through my darkest night  
Put something better inside of me, you brought me into the light  
Threw away all those crazy dreams, I put them all behind  
And it was you, woman, right down the lineI just wanna say this is my way  
Of telling you everything I could never say before  
Yeah, this is my way of telling you that everyday  
Im loving you so much moreIf I should doubt myself if Im losing ground  
I wont turn to someone else, theyd only let me down  
When I wanted you to share my life, I had no doubt in my mind  
And its been you, woman, right down the line
