

# Locomotion Tango

## Modern Talking

Love is a lie and love is a mess  
Telling the secrets of loneliness  
Our love survive  
How does love survive? Letters are written, words are spoken  
Some hearts are better left unbroken  
How will love survive?  
How will love survive? Little by little, step by step  
We were called the dirty pets  
Heart to heart and side by side  
Love will never hide Locomotion tango on a lonely rainbow  
We will dancin', baby  
Don't wait for heroes Locomotion tango on a lonely rainbow  
We will dancin', baby  
Romancin' lady Locomotion in my heart  
See you dancin' in the darkness  
Locomotion, let us start  
Let us dancin' in the moonlight Baby, you're waiting  
Baby, you cry  
See all the fools babe, with their lies  
Our love survive How does love survive?  
What does it take to kill your love?  
What does it take to get that stuff?  
Our love survive How does love survive?  
Little by little, step by step  
We were called the dirty pets  
Heart to heart, side by side  
Love will never hide
