

Without U

Oscar Zia

Wake up feeling like I've been hit with dynamite
We kissed and said goodnight I can't get you of my mind Yeah it feels like I've been struck by lightning
I can see but I am nearly blinded
Hands up I give in, I don't know where to begin Because All I do is think of you, think I'm going crazy
too WITHOUT U, WITHOUT U Inside out, up and down, like a stranger in this town WITHOUT U, WITHOUT
U Let's go all the wa-a-a-ay, can't survive one da-a-a-ay
All I do is think of you, think I'm going crazy too WITHOUT U, WITHOUT U When I crossed the line, never
saw the warning signs
Now I'm stuck on you, I'm on you like a tattoo I never thought I let my heart surrender, that my love was ever
turned to send her (Ahh yeah) Hands up I give in I don't know where to begin (Oh no no no) Because All I do is
think of you, think I'm going crazy too WITHOUT U, WITHOUT U Inside out, up and down, like a stranger in
this town WITHOUT U, WITHOUT U Let's go all the wa-a-a-ay, can't survive one da-a-a-ay
All I do is think of you, think I'm going crazy too WITHOUT U, WITHOUT U I want you to stay, stay here
close to me
Let's go all the way, just don't go without me Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh Ohh yeah All I do is think of you, think I'm going crazy too
WITHOUT U, (without u) WITHOUT U Inside out, up and down, like a stranger in this town WITHOUT U,
WITHOUT U Let's go all the wa-a-a-ay, can't survive one da-a-a-ay
All I do is think of you, think I'm going crazy too WITHOUT U, WITHOUT U (without u) Let's go all the wa-a-
a-ay, can't survive one da-a-a-ay
All I do is think of you, think I'm going crazy too WITHOUT U, WITHOUT U Without u
