

Vive La Mort!

Kmfdm

Aces and eights
Fate takes a hand
Dime liquefies
Certain doom awaits
The pall's been cast
No quarter to be had
All shall perish
None shall last
Enter the annihilator
Enter the iconoclast
Bona fide decide
Holy terror
Fatal error
Naked running piles of flesh
Stripped of all divinity
Mother Mary, Jesus, God
Unholy trinity
Fire and sword
Fate runs its course
Auto-da-fe
Vive La Mort
Vive La Mort
Vive La Mort
Enter the eradicator
Enter the iconoclast
Putrefied sacrifice
Holy terror
Fatal error
Eat the carcass
Drink the blood
Rip, slit, sever, grip
Revenant's last supper
Unholy sacrament
Cause and effect
In absence of sense
Our maggots, the quest

Shall not resurrect
Enter the annihilator

Enter the iconoclast
Bona fide deicide
Holy terror
Fatal error
Naked running piles of flesh
Stripped of all divinity
Mother Mary, Jesus, God
Unholy trinity
Aces and eights
Fate takes a hand
Dime liquefies
Certain doom awaits
Fire and sword
Fate runs its course
Auto-da-fe
Vive La Mort
Vive La Mort
Vive La Mort
Enter the eradicator
Enter the idol-o-clast
Putrefied sacrifice
Holy terror
Fatal error
Eat the carcass
Drink the blood
Rip, slit, sever, grip
Revenant's last supper
Unholy sacrament
Vive La Mort
Vive La Mort
Vive La Mort
Vive La Mort
Vive La Mort
