

# Tears From Heaven

[Nathan Pacheco](#)

Tears from heaven wash me over,  
Give me shelter from the storm.  
Daylight is gone, but still I can see  
Somewhere there's a place to keep warm.  
Drifting in silence, hear my heartbeat  
Breathing this feeling that I know  
If danger and trouble come around me,  
Somewhere there's a place to call my home.  
Watch over and I will find the way back home.  
The way back home.  
If in solitude I wonder,  
Far away from those I love  
If my faith is thorn  
Lay my way through stars above.  
Tears from heaven was me over  
Give me shelter from the storm.  
Daylight is gone, but still I can see  
Light shinning bright to guide me home.  
Guide me home.  
Daylight is gone, but still I can see  
Light shinning bright to guide me home  
Watch over me and I will find  
The way back home.
