Back to the Earth

Two Steps from Hell

Back to the earth I scream it and no one listen to me
Back to the earth I live they all follow
Come on, come on, see my world, my world
Come on, come on, see my world, my world, hey yeah
Well I'm coming down now to write my way
Come on, come on, see my world, won't you fly high
Come on, come on, see my world, my world
Come on, come on, see my world, my world, hey yeah
Write my way, write my way, my way
Write my way, write my way, my way, hey yeah
Write my way, write my way, my way
Write my way, write my way, my way, hey yeah
Back to the earth, I feel it
Back to the earth, I'm fallin'
Back to the earth, I feel it
Back to the earth, I'm fallin'
Many divisions of you
Many divisions of me
Many divisions of you
Many divisions of me, hey yeah
Many divisions of you
Many divisions of me
Many divisions of you
Many divisions of me, hey yeah
We are so young
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama

Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', [Incomprehensible]

Hey yo', mama free my soul
Hey yo', [Incomprehensible]
Hey yo', mama free my soul
Back to the earth, I feel it, yeah
Back to the earth, I'm fallin'
Back to the earth, I feel it
Back to the earth, I'm fallin'
Back to the earth, yeah
Many divisions of you
Many divisions of me
Many divisions of you
Many divisions of me, hey yeah
We are so young
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', hey mama
Hey yo', mama free my soul
Hey yo', [Incomprehensible]
Hey yo', mama free my soul
Hey yo', [Incomprehensible]
Hey yo', mama free my soul
