Any Way the Wind Blows

The Mothers of Invention

Any way the wind blows is-a fine with me
Any way the wind blows, it don't matter to me
'Cause I'm thru with-a fussin' and-a fightin' with-a you
I went out and found a woman who is gonna be true
She makes me oh so happy now, I'm never ever blue
Any way the wind blows,
Any way the wind blows,
Any way the wind blowsShe's my heart and soul and she loves me tenderly
Now my story can't be told just how good she is to me
Yes, she treats me like she loves me and she never makes me cry
I'm gonna stick with her 'till the day I die
She's not like you baby, she would never ever lie
Any way the wind blows,
Any way the wind blows,
Any way the wind blowsAny way the wind blows,
Any way the wind blows,
Any way the wind blows
Now that I am free from the troubles of the past
Took me much too long to see that our romance couldn't last
I'm gonna go away and leave you standing at the door
I'll tell you pretty baby I won't be back no more
'Cause you don't even know what love is for
Any way the wind blows,
Any way the wind blows,
Any way the wind blows
