Beautiful Dreams

Twiggy

Come closer darlin', closer to me
Come closer darlin', strike up the light, strike up the light
Come beautiful dreams
Now I can see you, great as can be
Your face in the shadows, smiling at me
Smiling at me
Oh beautiful dreams
Why did you leave me?
To wander alone
Loneliness brings tears to my eyes, my eyes, my eyes
Now I want see you, appear again
Only in dreams, beautiful dreams, beautiful dreams
Oh beautiful dreams
Why did you leave me?
To wander alone
Loneliness brings tears to my eyes, my eyes, my eyes
Now I want see you, appear again
Only in dreams, beautiful dreams
Beautiful dreams
Oh beautiful dreams
Oh beautiful dreams, Oh beautiful dreams, Oh beautiful dreams
