

Neither Heaven Nor Space

Nada Surf

So quiet And the ring around the moon
It's neither heaven nor space, it's just high looks like light and love
Neither of which I get enough of Down there Where alot of people lie, In a deep sleep And months on end go by,
in a single week
Down there But much too slow The air is running out we're sinking much too low
Can't you see I'm trying so hard to plug up this hole you can hear ghost trains
And if you sit long enough As if the city speed And coaxes close as we, get to sugar cane
is just in our brains Down there But much too slow
Can't you see I'm trying so hard to plug up this hole, The air is running out we're sinking much too low So quiet,
So quiet It's neither heaven nor space, It's just high
And the ring around the moon Looks like light and love
Neither of which I get enough of Neither of which I get enough of
