Taken Train

Swingin' Utters

Somewhere between time to time
I depend on my fuckin' alibis
But now it's all a different story
And it's gettin' pretty damn boringI have taken the train
Fuck all others in Spain
'Cause I've taken the train
Fuck you all in SpainDamn right bitch suck my dick
Hard then you can flick my Bic
Ass sex fucked up, and otha' shit
Who gives a fucking shitI have taken the train
Fuck all others in Spain
'Cause I've taken the train
Fuck you all in Spain
