

Numb Sickened Eyes

Killswitch Engage

Enter into a circle of light
Engraved, engraved in flesh Stare in my eyes, suffer
I will not bow down, suffer
The only truth, suffer
I will not bow down, suffer
Pulling words form my lips
And tearing me within This life will remain a mystery
To you until the day you pass away
Speak lies, spilling from your lips
As clear as crimson Stare in my eyes, suffer
I will not bow down, suffer
The only truth, suffer
I will not bow down, suffer
Pulling words form my lips
And tearing me within This life will remain a mystery
To you until the day you pass away
Speak lies, spilling from your lips
As clear as crimson Enter into a circle of light
Engraved, engraved in flesh
Enter into a circle of light
Engraved, engraved in flesh I spoke my vengeance with a smile to you
[Incomprehensible] to you
I spoke my vengeance with a smile to you
