Crying in the Rain

Magnum

Thought you'd got what you needed
Closed your eyes to what's there
Thought you'd got what you needed
Now she's gone and she don't care
Well, your time's laying open
Everything is cast aside
But the thing you didn't count on
Was your everlasting prideYour heart's beating fast
Slow down, you won't get much older
A love unsurpassed
Won't grow colder
Oh, well, there you go again
Now, you miss her every day
Oh, and how it syour world
Yeah, wished you could walk away
Now, she's left you crying in the rain
Just like before
Yeah, she's left you crying in the rain
Closed every doorThink you've found what you wanted
But you always complain
Think you've found what you wanted
Yeah, it's always the same
You got caught in the crossfire
What you said was just a lie
Poisonous tongue and wicked stories
That's the thing you can't deny
No one takes the blame
They say it goes on forever
It's a waiting game
You know betterOh, well, there you go again
Now, you miss her every day
Oh, and how it syour world
Yeah, wished you could walk away
Now, she's left you crying in the rain
Just like before
Yeah, she's left you crying in the rain
Closed every doorPicture yourself
And try if you can
To be someone else

Like you give a damn
Oh, picture yourself
And don't look away
Yeah, picture yourself
On your final dayDon't ask, you should know
This time, well, it's now or never
And bad waters flow
It's no pleasureOh, well, there you go again
Now, you miss her every day
Oh, and how it syour world
Yeah, wished you could walk away
Now, she's left you crying in the rain
Just like before
Yeah, she's left you crying in the rain
Closed every doorNow, she's left you crying in the rain
Just like before
Yeah, she's left you crying in the rain
Closed every door
