

Leave Your Mark

Stars In Stereo

You tied me up by my heart
I was frozen for you to shatter
I couldn't be sure it was right for me
Til you looked at me differently
You had it all but I wanted to ruin
The part of me
That was lovable
Uncontrollable
You had my soul
Break down everything
When you're hating me
I cannot believe
You made me love myself
I'm not scared to bleed
When you're hurting me
I cannot believe
You made me love myself
Leave your mark on me so I don't forget what you did to me
How I lost the voice inside my head that tells me not to let go
I'm ugly til you fuck me
Break down everything
When you're hating me
I cannot believe
You made me love myself
I'm not scared to bleed
When you're hurting me
I cannot believe
You made me love myself
Deprave me
It's lovely
Change me
I'm ugly
Break down everything
When you're hating me
I cannot believe
You made me love myself
I'm not scared to bleed
When you're hurting me
I cannot believe

You made me love myself
