Oh, no, no, no, no
No, no, no, beggin', beggin'Hello, I'm standin' out here at the front door
Hello, can you hear me? I'm at the front door
And my key ain't workin', where you at? Let me in
You ain't comin' in here
What the hell you mean I can't come in?Oh no, I know she just didn't hang up what she thinkin'?
Oh no, here we go, I'm 'bout to kick this door in
I hear the po po comin' see my clothes out the window
She put me out and I ain't got nowhere else to goYour heart's my house, it's where I sleep
Without my baby a bum is what I'd be
What am I gonna do if you ain't there to come home to?
Girl I'm gon' be out on the streets if I ain't with youYou may see me on the corner of the streets
Standin' with a cup in my hand holdin' a sign up
Sayin' that I'm homeless, I'm homeless, girl I'm homeless
And I'm beggin', I'm beggin"Cause me without you is like a gin with no juice
It's like a chain with no jewels, it's like your man's here beggin'
And homeless, I'm homeless, girl I'm homeless
And I'm beggin', I'm beggin', yeahDamn it feels like I've been sleepin' on a box and
Damn it seem like I be close to pushin' carts and
I don't wanna work 'cause I need spend it on you and
I'm talkin' to myself 'cause I ain't talkin' to you
Damn, damn, damnDamn, damn, I missin' how you was my hot chocolate
Girl damn I'm really missin' how you used to drop it
My food all it tastes like it came straight out the garbage
And the girls I'm meetin' they be garbageYour heart's my house, it's where I sleep
Without my baby a bum is what I'd be
What am I gonna do if you ain't there to come home to?
Girl, I'm gon' be out on the streets if I ain't with youYou may see me on the corner of the streets
Standin' with a cup in my hand holdin' a sign up
Sayin' that I'm homeless, I'm homeless, girl I'm homeless
And I'm beggin', I'm beggin"Cause me without you is like a gin with no juice
It's like a chain with no jewels, it's like your man's here beggin'

And homeless, I'm homeless, girl I'm homeless
And I'm beggin', I'm beggin', yeahGirl I'm nothin', I'm struglin', got nothin' but my name
I ain't askin' for to much I just need a lil' change in my life
I ain't right and I never should've done you wrongGirl it ain't about the house, baby that don't mean a thing to me
All I need is you, so if that means I gotta work for the rest of my life
I swear I'll make it up to youYou may see me on the corner of the streets
Standin' with a cup in my hand holdin' a sign up
Sayin' that I'm homeless, I'm homeless, girl I'm homeless
I'm beggin' you'Cause me without you is like a gin with no juice
It's like a chain with no jewels, it's like your man's here beggin'
And homeless, I'm homeless, girl I'm homeless
And I'm beggin', I'm beggin', yeahBaby I'm beggin' you, I'll do what I gotta do
I might as well be homeless if I can't be without you
Baby I'm beggin' you, I'll do what I gotta do
I might as well be homeless if I can't be without youBaby I'm beggin' you, I'll do what I gotta do
I might as well be homeless if I can't be without you
Baby I'm beggin' you, I'll do what I gotta do
I might as well be homeless if I can't be without you
