

# Pull Me from the Void

## Trivium

As I descend, I see the end  
It's reaching up to pull me in  
The bowels of Hell, a prison cell  
It's decorated with my sin  
I smash the shackles, God above me  
Your world is toxic, [?]  
Pull me from the void  
Trapped beneath the tie of noise  
Pull me from the void  
Pathetic world I must destroy  
Please, pull me from the void  
An uphill battle I must climb  
So, pull me from the void  
Commandingness, you find yourself in time  
As I ascend, enough defend  
My reasons that I must avenge  
A dying dream, unspoken being  
I clean myself of you, I'm free  
I smash the shackles, God above me  
Your world is toxic, [?]  
Pull me from the void  
Trapped beneath the tie of noise  
Pull me from the void  
Pathetic world I must destroy  
Please, pull me from the void  
An uphill battle I must climb  
So, pull me from the void  
Commandingness, you find yourself in time  
Revelation  
Revelation  
Pull me from the void  
Trapped beneath the tie of noise  
Pull me from the void  
Pathetic world I must destroy  
Please, pull me from the void  
An uphill battle I must climb  
So, pull me from the void  
Commandingness, you find yourself in time
