Burning Bridges

Leon Thomas

Verse 1:I've known you for a good while
Do anything to make you smile
Helping hand through rough times
I can tell that, somethings on your mind
Girl you know i'm into your style
I'm giving it, and you take a mile(Yeah Yeah)
Don't get me wrong, your beautiful
But we might regret going down that roadPre Chorus:Dont want to have to turn around
Ohh..ohhh.ohh ohhhh
And have you no where to be foundChorus:(Yeah yeah) I want you, i can't deny
What we got we can't jeopardize
Cant loose a friend over feelings
No i dont wanna burn any bridges
Girl the truth is things could change
But for now, I think we should wait
Cant loose friend over feelings
No i don't wanna burn any, don't wanna burn any bridgesI've seen it happen: You're all in (yeah)
You fall in love and, loose a friend
Can't stand to see you ever go away
I'm scared this all might be a mistake(yeah)Pre Chorus:Don't wanna have to turn around(ohh ohh ohhhh)
And have you no where to be foundChorus:I want you, i can't deny
What we got we can't jeopardize
Cant loose a friend over feelings
No i dont wanna burn any bridges
Girl the truth is things could change
But for now, I think we should wait
Cant loose friend over feelings
No i don't wanna burn any, don't wanna burn any bridgesDont never ever wanna let you go
Thats why i think its best we take it slow
And maybe let it go you never know
Don't take it personal(ohhh yeaaah)
Dont never ever wanna let you go
Thats why i think its best we take it slow
And maybe let it go you never know
Dont take it personal.Chorus:I want you, i can't deny
What we got we can't jeopardize
Cant loose a friend over feelings
No i dont wanna burn any bridges
Girl the truth is things could change

But for now, I think we should wait
Cant loose friend over feelings
No i don't wanna burn any, don't wanna burn any bridgesDont never ever wanna let you go
Thats why i think its best we take it slow
And maybe let it go you never know(whoaa ohh Yeahh yeaah)
Dont never ever wanna let you go
Thats why i think its best we take it slow
And maybe let it go you never know (You never know you never know)
Don't take it personal babe.
