

My Sister's Girlfriend

Latif

[Chorus]
I got's to get that
Just can't resist that
My sister's girlfriend
So dope, I know I should do it
But my girlfirend
Got me bout twisted
Shortie you're so gifted
No joke, so tempted to get itI never seen her before
'Cause on the normal
I wouldn't holla
But this girl was so dope
But my sister said noI didn't care what she said
'Cause I knew that
If I had a chance
I was gonna get with this chick'Cause I could not help it[Hook]
(I know you're in both friends) Girl I know that I want you
(I never act like this) This is something I must do
(Cuz I can't resist) Don't listen to my sister say
(I want to know what you're about) yeah
(Please can we spend) A moment of truth
(So you're lookin for me and) With You
(We can start a new thing) Let me do what I do[Chorus]I said now, now
Now I put myself out there
I need to know exactly where
Your mind isAnd if you're thinkin like I'm thinkin
'Cause I'm thinkin like if we're alone
Just once behind closed doors
I know it really would be on[Hook][Chorus]I can see it in your face
That you're really likin me
But it's that not tough to say
'Cause my sister's in your faceSo if you want to move
Just hit me on my two
'Cause I'll be there when you call me
'Cause girl I'm feelin you[Chorus: x2]
