

Do It Like Me Baby

D4L

Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me on the dance floor, so icy
I rock Kangols, yeah, I need help, I'm a nympho
K-rab Arab set the tempo for the streets, for the best for the thugs
For the girl gettin' loose in the club, bring it back, don't act like that
D4L and K-rab got stacks ask Dizzm, ask Loe
Ask Mou, Stuntman and Fabull
Yeah, I'm down wit' the beat for the street
DJ Pooh do it like me
West side zone 4, zone 3, 107.9 and V103
Made them shake their laffy taffy
Told them do it like me
Rock harder DJ from the L.O.E.
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Some really don't dance but I think I can
I'm a lean one time, I'ma pop my hands
I'ma do it, do it, do it, do it on the floor
Do it so long 'til my legs get sore
See this girl in front of me she rockin' her hips
And movin' her knees, oh shit, there she go
She dancin' all fast lookin' like Fabo
I was just playing, I don't really think
So get back home, said I don't won't no mo'
She said so, I said no
Baby, I'm gone off too much 'dro pop that pill
And I pop 2 mo', now I'm really geeked up on that floor
I'ma lean wit' it, wit' stacks wit it
D4L the best dub did it
Do it like me, baby

Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me, baby

Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Oh no, check this out right here
D4L put it down bitch this year
Put the clique up, gotta keep it so trill
Poppin' that bottom spend a hundr'd dolla' bill
Finished last shot a true street wear appeal
Lay it on the line now I see what the deal, yeah
I know you wanna get with this here
The way you shakin' ass tryin' to keep a playa near
But I'ma just lean, left to the right
On the dance floor doin' dance all night
Nigga so cool, I ain't worried 'bout no fight
I rule too deep, I want some pussy and a mic
We got them motherfuckin' 2's on site
My bitch hit shawtay 'n' try to get right
Jus' look at Bankhead, they feelin' so nice
Don't hate shit nigga, take 5
Do it like me, baby

Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like ya crazy, how ya want it, I'll do it slow
Go Fabo go, Fabo go, go Fabull go, Fabo go
Lean wit' it, rock wit' it, bear ons Bankhead go
Go Fabo go, Fabo go, go Fabo go, Fabo go
Fo' the old folks, po' folks, what's in the drawer pro
You don't really want none, 'cause it ain't
No baby girl, whatcha got in that trunk?
Get loose, get low
I'm gon' get it, get it, I pop, I roll
(They can't feel me)
(They can't feel me)
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
Do it like me, baby
Lean wit' me, rock wit' me from side to side
Snap yo' fingers, do it, do it, do it
