

# Little Gun Motel

## Too Slim & The Taildraggers

If you ever stop in Memphis Tennessee  
Theres a place to lay your head but don't get no sleep  
Street light girls workin hard  
Down on Elvis Presley Boulevard  
You can kiss em all night and they won't tell  
Check in to the Little Gun Motel

By the hour or by the day  
Desk clerk looks the other way  
They leave your car up on blocks  
Strip it right there in the Parkin lot  
Feels like Heaven looks like hell  
Down at the Little Gun Motel

Early in the mornin the maids come knockin'  
Tuckin' in the sheets in their high heeled stockings  
Bullets start flying its all good fun  
Just another night down at the Little Gun

SOLO 2 rounds

Leave your money on the table  
TV's broken aint no cable  
Do not disturb sign hangin' on the door  
Moss on the window shade carpet on the floor  
Come on in and stay a spell  
Down at the Little Gun Motel

Early in the mornin the maids come knockin'  
Tuckin' in the sheets in high heeled stockings  
Bullets start flying its all good fun  
Just another night down at the Little Gun

Little Gun Little Gun Motel  
Little Gun Little Gun Motel  
Little Gun Little Gun Motel
