

No Hope = No Fear (Live 2001)

Soulfly

Told you can never be free
Whoever told you can't seek out that dream
Whoever told you can never be free
Whoever told you that is your enemy you see My life is mine, my right is mine
'Cause it's my life, you see, not your life
My life is mine, my right is mine
Sometimes you have to lose your mind No hope, no fear I won't wait for the next life
The time is now, the time is right
Follow my heart, I'll get through
If you're not now you never were So lose yourself to find yourself
Don't need to act like nobody else
Sometimes it feels as if the road is blocked
I'll find a way, I'll move those rocks No hope, no fear Freedom
