

Beautiful

Bread of Stone

We're falling apart
Caught in the dark
How did we end up so lost?
Is there a chance to start again?
In your plan Let it all come out in the light
Break the bonds that hold us Take my broken world
and make it beautiful for You
It's unbelievable
You'd come down for just one like me
It's true
We've come to the end
Where hearts can't pretend
Out in the cold for so long
This is our chance to start again
Let's start again Let it all come out in the light
Break the bonds that hold us Take my broken world
and make it beautiful for You
It's unbelievable
You'd come down for just one like me Take this broken world
And make it beautiful to You
It's undeniable
And I'll keep holding on to You
It's true
Just take this broken world
And make it beautiful to You
You're so wonderful
To see the hope in just one like me
It's true You're so beautiful
I'm not letting go
I'll keep holding on to you
You're so wonderful
I'll keep holding on to You
