

Getting Nowhere Fast

Girls At Our Best!

You're not looking forward and you are not looking back
You've lost the warranty, you'll never get your money back
My baby's buying me another life, getting nowhere fast I am pretty smart, I don't do what they want me to
I don't ignore them too, that's what the general public do
My baby's buying me another life, getting nowhere fast It makes you feel good, you've answered all the
questions right
He's won a holiday, that'll help you sleep at night
My baby's buying me another life, getting nowhere fast
We're not looking forward and we are not looking back
We've lost the warranty, we'll never get our money back
My baby's buying me another life, getting nowhere fast
My baby's buying me another life
