

Fall for You (Ghosting Season Remix)

Young Galaxy

I work the minds till the break o dawn
you and me in the dark with lonely hearts
making songs come true in the world above
wanna live with love, yeah live with love.
I swim the ways of the midnight dream
Just me and the stars and the lonely time
wanna build the ship and the melody
just sail the sea and sell the sea.
Eh oh, when you need a guide I'll light your way
Eh oh, the beat is yours so let it play.
Eh oh, when you need a guide I'll light your way
Eh oh, I'll be where you need me.
Just can't live
My love, we fall for you
My love, what else can I do?
My love, we fall for you.
My love, what else can I do?
I work the minds till the break o dawn
you and me in the dark with lonely hearts
Wanna live with love, can't live with love.
Wanna live with love, can't live with love.
Wanna live with love, can't live with love.
Wanna live with love, can't live with love.
Wanna live with love, can't live with love.
Eh oh, when you need a guide I'll light your way
Eh oh, the beat is yours so let it play.
Eh oh, when you need a guide I'll light your way
Eh oh, I'll be where you need me.
Just can't live
My love, we fall for you
My love, what else can I do?
My love, we fall for you.
My love, what else can I do?
What else can I do?
My love, we fall for you.
My love, what else can I do?
We fall for you, my love
What else can I do?
My love, we fall for you,

My love, what else can I do?
