Marlene

The Dada Weatherman

Marlene, Marlene
You're the prettiest girl I've ever seen
Do you care for me at all, Marlene, I care for you
And I just don't care who knows it
And I guess that means that I love youMarlene, Marlene
Who'd believe that you're only seventeen
I'm in trouble if your folks get mean
And if they do, then I don't care if they bust me
And I guess that means that I love youI don't need no fantasies, just one thing I need
If you could make it here, MarleneDear Marlene, Marlene
When I think that it all is just a dream
I remember that your eyes are green and mine are blue
Then they will always see each other
And I guess that means that I love youI don't need realities, just one thing I need
If you could make it here MarleneDear Marlene, Marlene
Marlene, I'm depending on you now
MarleneI'm depending on you now
Marlene
I'm depending on you now
MarleneI'm depending on you now
Marlene
I'm depending on you now
Marlene
