

# You Mean the World To Me

[Nikki Yanofsky](#)

I think about you night and day  
I think about when I'm away  
How I miss your kiss and huggin'  
How I long to have your lovin'  
How you mean the world to me I think about you all the time  
I think about how you're all mine  
How only I can hold your hand  
How you're the one I call the man  
How you mean the world to me  
Every time I feel your touch  
Boy, you give me such a rush  
And, every time you stroke my hair  
You send sheevers everywhere I think about you and you smile  
I think about how i long that smile  
And how i'm wrong to get to you  
I know that you wuold do that too  
Cause you mean the world to me Every time I feel your touch  
Boy, you give me such a rush  
And, every time you stroke my hair  
You send sheevers everywhere  
I think about my sweet heart  
I think about you where do I start  
Cause all the words I could unseal  
Don't justify just how I feel  
Cause you mean the world to me  
You mean the world to me
