Happy

Liam Lynch

I am really speshal 'cause there's only one of me!
Look at my smile I'm so damn happy that people are jealous of me!

When I'm sad and lonely I like to sing this song-
It cheers me up and shows me that I won't be sad for long!

Ohohoh!
I'm so haappy I can barely breath!
Puppy dogs and sugar frogs and the kiddie's baby teeth!

Watch out you mothers, I'm so happy it's hardcore.
Happy as a cucombor a twenty dollar whore oh ho ho!

I'm really haappy with the sugar coated me!
Happy good anger bad that's my philosophy!

I can't do this man I'm not happy.

I AM REALLY SPESHAL 'CAUSE THERE'S ONLY ONE OF ME!!!
LOOK AT MY SMILE I'M SO DAMN HAPPY THAT PEOPLE ARE JEALOUS OF ME!!!

These are my love handles and this is my scalp,
But if you tip me over then momma said knock you out!

I am speshal
I am Happy
I am gonna heave!

Welcome to my happy world now get your shit and leave!

I am happy I am good I'm...
I'm outta here!
SCREW YOU!!!
