I Saw Esau

Ames Brothers

I went strolling through the park
I was happy as a little lark
Then I got a big surprise
Right before my eyes

I saw Esau sitting on the seesaw
I saw Esau with my girl
I saw Esau sitting on the seesaw
Giving her a merry whirl

When I saw Esau he saw me
And I saw red and I got so sore
So I got a saw and I sawed Esau
Off that old seesaw
