Almost Love (24/7)

Jessica Jarrell

Race home , open the door,run upstairs, throw my bag on the floor
Log on two seconds later
I get a message from you saying hey baby
Been going crazy
Thinkin 'bout you all day
So much to tell you boy I feel the same way
Can't wait to see you just you and I
Cause every night I'm thinkin' what it would be likeI get a rush more than a crush
Almost Love
Make me feel high every time I think about us
Even though we talk everyday
I still cant get enough
Haven't got a pulse
Getting kinda close
Almost Love
I'm 5'6 your 5'10
14, 15
talk 24/7
34,24,36
Talk 24/7
Forever lol you and I
Talk 24/7
g2g, xox, uh uh uh
24/7Give you my number you call
We were both nervous
Said nothing at all
I was breathless You were speechless
Said it's finally good to hear your voice
Started talking kinda random
Said you were a shy boy for such a fly boy
You said its you that makes me feel that way
I'm like sometimes even I don't know what to sayI get a rush more than a crush
Almost Love
Make me feel high every time I think about us
Even though we talk everyday
I still cant get enough
Haven't got a pulse
Getting kinda close
Almost Love
