Demons

Sleigh Bells

You drink the wise blood
They?re gonna hear about it
You?ll be taken down,
Brick by brick by brick
Burn the orphanage,
You?re gonna pay for it
They will purify,
Block by block by block

Demons

Come on,
You got a vision, you?re on a mission
Demons
Live on,
And when I die hang me high,

They?re gonna bury you,
They?re gonna finish
They?re gonna stand em up,
Six by six by six
You pull the hood back,
I wanna know
Which way will the heavenly go
Taken down (x11)
Demons

Come on,
You got a vision, you?re on a mission
Demons
Live on,
And when I die hang me high,
And you will answer to no one else but me
