Take Off Your Clothes

Meat Puppets

"It's alive", she said, "It's a dream, a lie"
"Come alive, she said, "Come alive, alive"Oh my God, I must be dreaming
If this is a dream, then why am I screaming?
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowingAll the lights have started popping
Once it starts, it's always stopping
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowing"You're a dog", she said, "Come alive, alive
Like a dog, lay down on your side, your side"Oh my God, I must be dreaming
If this is a dream, then why am I screaming?
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowingAll the lights have started popping
Once it starts, it's always stopping
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowingAlive again, alive, alive
It's a dream, again
Come alive, aliveOh my God, I must be dreaming
If this is a dream, then why am I screaming?
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowingAll the lights have started popping
Once it starts, it's always stopping
Take off your clothes there's nothing showing
Out of the sun a cold wind's blowing
