

But We Did

Thomas Dybdahl

All this time we were told we would never make it,
All this time we were told we would never make it.
Every one said we couldn't break it,
Every one said there was no way to shake it,
But we did.

Ain't no love like the one that you gave before me,
Ain't no song like the song that you sang before me.
Maybe you had it right before me,
But you were a fool to so adore me,
but you did.

Baby, we swore we couldn't do it,
Baby, we swore we couldn't pull through it,
but we did.

Baby, we swore we couldn't do it,
Baby, we swore we couldn't pull through it,
but we did.

All those tears in the bed that was never broken,
all these doors in the moon that were never opened,
Every one said we couldn't break it,
Every one said there was no way to shake it,
But we did.

To ?? for the space that you gave that I never needed.
To ?? for the moment inside that I never ??.
Too bad we feel behind,
too bad we ??,
but we did.

Baby, we swore we couldn't do it,
Baby, we swore we couldn't pull through it,
but we did.

Baby, we swore we couldn't do it,
Baby, we swore we couldn't pull through it,
but we did.

Over and over and over and over and over,
I thought it was over and over and over and over.
Again and again and again and again and again
and it goes and it goes and it goes and it goes.
And it is deeper and deeper and deeper and deeper and deeper
it goes deeper.
It goes deeper and deeper and deeper and deeper and deeper
it goes deeper.
Yes it goes deeper and deeper and deeper and deeper and deeper,
it goes deeper.
