

# Bandage (Remix)

Brian Mackey

I want to hold you again  
I want to kiss you but I can't  
Just like we used to  
Just like we used to  
I want to have you again  
I want to always be your friend  
Just like we used to  
Just like we used to We're okay with what had didn't let it all slip away  
We're okay hell yes with what we had didn't let it all just fade  
I know it sounds stupid it sounds naive  
But there'll be no more  
Bandage on a broken dream  
There'll be no more  
Bandage on this broken dream  
There'll be no bandage  
On a broken dream  
On a broken dream I want to touch you again  
I want to be there till the end  
Just like it used to be  
Just like it used to be We're okay with what had didn't let it all slip away  
We're okay hell yes with what we had didn't let it all just fade  
I know it sounds stupid it sounds naive  
But there'll be no more  
Bandage on this broken dream  
There'll be no more  
Bandage on a broken dream  
There'll be no bandage  
On a broken dream  
On a broken dream  
On a broken dream  
On this broken dream
