

Party Train

Redfoo

REDFOO!

I need to know

Who came to turn up on their favourite festival

I need some people

Some party people

To jump on stage and rage with your bro That's why I'm calling all my ravers

Best in candy flavours

Calling all my hipsters

To cool to be my listeners

Calling all the sinsters

With ir--onic T-shirts

Say no to Drugs

Gave the pay And freak JUSTIN BEABER!

(Chigi Chigi Chigi Chigi Chigi Chigi Chum)

Excuse me who are you

Excuse me who are you

I am Ducken Duck Duck

The B is your instructor ALL ABOARD

Get on that party train

(Music)

(Oh Oh)

Get on that party train

(Chigi Chigi Chigi Chigi Chigi Chigi Chum)

I need to let loose

Loosen your Kabus I need to drink some juice with some jam so I can win and party with all my friends

That's why I'm calling all my groupies

And ras them them like them bottles

Calling all my Duck Face Instagram models

Calling all the cuties that doing squats for their booties

Calling all my snapchatters I need more disappearing boobies
