

# Start Me Up (feat. Bei Maejor) [Bonus Track]

## New Boyz

[Verse 1 - Ben J]

How did I end up in this club?  
Man I swear I'm goin crazy  
And I can not find my phone  
And I need to call me baby  
If she saw what I was doin  
She would probably wanna drop me  
But I can not stop right now  
Cause-cause right now this party got me feelin goooooood  
Yeah, let's do it up tonight  
Ain't worryin about tomorrow  
Man I'm livin life l-l-like a baller shouuuuld  
Yeah tell me we ain't goin hard  
This goes out to all of y'all (y'all, y'all, y'all, y'all)[Chorus: Bei Maejor]  
Party party party people come say whassup(WHASSUP!)  
Yeah baby baby start me up  
So a sexy sexy lady's gonna show me love  
Yeah baby baby start me up...  
Woahhhh  
Party party people come say whassup (WHASSUP!)  
Yeah baby baby start me up[Verse 2]  
I-I ain't on that picture but I be goin HAM  
Hella boppers on my gold and some bottles in they hand  
I don't see they boyfriend and they guys  
but surround 'em when they near  
Need a Twitter for my dick

Jealous of our taste, muggin man I wish a nigga

If he set for the club, down so start me up-up-up-up[Chorus - Repeat 2x]  
Party party party people come say whassup(WHASSUP!)  
Yeah baby baby start me up  
So a sexy sexy lady's gonna show me love  
Yeah baby baby start me up...  
Woahhhh  
Party party people come say whassup (WHASSUP!)  
Yeah baby baby start me up[Outro]

Start me up, me up, me up [2x]  
Baby start me up, me up, me up  
Start me up, me up, me up
