## Bad - 2012 Remaster

## **Michael Jackson**

Your butt is mine Gonna tell you right Just show your face In broad daylight I'm telling you On how I feel Gonna hurt your mind Don't shoot to kill Come on Come on Lay it on me All right I'm giving you On count of three To show your stuff Or let it be I'm telling you Just watch your mouth I know your game What you're aboutWell they say the sky's the limit And to me that's really true But my friend you have seen nothin' Just wait 'til I get throughBecause I'm bad, I'm bad come on You know I'm bad, I'm bad come on, you know You know I'm bad, I'm bad come on, you know And the whole world has to Answer right now Just to tell you once again Who's bad The word is out You're doin' wrong Gonna lock you up Before too long Your lyin' eyes Gonna tell you right So listen up Don't make a fight Your talk is cheap

> You're not a man You're throwin' stones

To hide your handsBut they say the sky's the limit

And to me that's really true

And my friends you have seen nothin'

Just wait 'til I get throughWe can change the world tomorrow

This could be a better place

If you don't like what I'm sayin'

Then won't you slap my faceWho's bad?
