Same to You

Lydia Loveless

Well, if I say another word, it'll be my last
I can tell by the color of your face you're mad
I'll have to take a few so I don't talk back
Well, it's gonna be one of those daysAnd if it's the same to you that I'm gone
Well, if it's the same to you, I won't stay long
Because I can't move on if I'm five steps back
Well, I guess we're going out again
And by Texas, I know I'll be ready to crack
Well, that's where I almost killed you, but honey give me one more chanceAnd if it's the same to you that I'm gone
Well, if it's the same to you, I won't stay long
If it's the same to you that I'm gone
Well, if it's the same to you then I'll stayIs there nothing I can do
To make you look at me like that again?
I'm not going to fall in love with you, man, [?] but if that's your yes [?]
Can't you just wave goodbye?
Well, you could just wave goodbye
