

After Afterall (Live From The Downtown Studios)

[William Fitzsimmons](#)

I still love you
I still want you
I still need you
After all For better or worse
Sickness and health
Till death do us part
After all Please don't keep me
(Please don't leave me)
Please don't keep me
(Please don't leave me) Please don't keep me
(Please don't leave me)
After all
(Please don't) After all
(After all)
After all
(After all) After all
(After all)
After all
After all
