

Confident

[John Reuben](#)

Hey, Johnny, Hey, Johnny,
What a good day, Johnny
That's what I tell myself
I'm put together pretty well
Starting off on a positive note, buddy
So we can reach the end with high hopes
Hey, Johnny, Hey, Johnny,
What a good day, Johnny
That's what I tell myself
It comes together pretty well
Walked into the room
don't know who you are
Feel it out when emotions are flawed
I got my mind made up, so seal the deal
I'm confident
I got my mind made up, that's how i feel
I
