

What My Heart Wants To Say

Gareth Gates

You're amazing, so amazing, have I told you enough?
You're an angel, my guardian angel
God knows I, I've been blessed with love
But if I'd be gone tomorrow
Would you know how deep my love goes?
Have I ever told you, you're the one?
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say
A love to tender, I surrender to this feeling so true
My affirmation, my inspiration
Darling I, I've been blessed with you
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say
But if I'll be gone tomorrow
Would you know how deep my love goes?
If I was gone forever, would you know how much I care?
That you make me feel like flying
That I'm sailing on your ocean
That every time you look at me, you see it in my eyes
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know, I hope it still shows
I hope you still know what my heart wants to say
