Exit Eternity

Combichrist

When everyone's gone
And you're living forever
What's left to gain?When you're all alone
And there is no heaven
There's no one else to blame
Eternity, eternity, exit
Eternity, exit
Endless, endless, endless, exit
Endless path, exitNo rope for a noose
No cliff to jump from
No bullets to ease your pain
An eternity alone
Waiting to die
No blood in the veins to drain
Eternity, eternity, exit
Eternity, exit
Endless, endless, endless, exit
Endless path, exitYour life is a book
Of empty pages
Your story is written on your skinAll faded away
Impossible to read
Where did you beginWhere does it end
When there is no end?
Just an endless path
Where do we go?
Eternity alone
All love is goneThere's no one else, there's no one else, exit
There's no one else, there's no one else, exit
There's no one else, there's no one else, exit
ExitYou're wearing a crown
No kingdom to rule
Can't recall the last time you spokeAt least now out loud
The screams in your head
Where you still hear the deadThere's no one else, there's no one else, exit
There's no one else, there's no one else, exitWhere does it end
When there is no end?
Just an endless pathWhere do we go?
Eternity alone
All love is goneWhere does it end

When there is no end?
Just an endless path (exit)Where do we go?
Eternity alone
All love is gone
