Goin' Steady

Hayden Thompson

Well me and my baby, we're goin' steady
We ain't married but we're gettin' ready
To tie the knot
And I'm gonna make her my ownNow that I've found her I'm gonna keep her
Finders keepers and losers weepers
She's my baby
She's goin' steady with meIf I've been honky tonkin' 'round
Nearly all of my life
But now I got a steady babe
And I'm gonna make her my wifeAll you ramblers can leave her alone
Don't even try to date her on the phone
'Cause she's my baby
She's goin' steady with meWell now sweet baby
That we're goin' steady
I'll pull up and I'll ask your daddy
What he thinks if you and I are wed'Cause I love you and you love me
We're both as happy as we can be
And I hope your daddy will
Let you go steady with meWell we'll get the rings and be on our way
To see the preacher man
And when you say, "I do", sweetheart
I'll slip the ring on your loving handEverything's gonna turn out fine
I'll be yours and you'll be mine
'Cause you're my baby
You're goin' steady with me
