

# Never Givin' Up

[Alsie Black](#)

Never givin' up on this love [2x]  
Never givin' up your all i'm thinkin' of [1x]  
sittin' here in this empty room thinkin' bout you baby  
thinkin' bout all the changes we been through  
and i know it might sound crazy  
but i'm still in love with you  
inspite of all the stupid things we been through (we been through)  
the way you make me feel I can't explain  
but I love what you do (what you do to me)  
when were making love you drive me insane  
see I can't go no higher  
never givin' up on this love  
never givin' up your all i'm thinkin' of [2x]  
well,well,well feels so strange

when I was on the train  
I cracked a smile when I thought of you  
the things that you do make me feel so good inside  
no need to lie i'm on your side  
i'm givin' my lovin' to ya day and night  
Aaliyah i'm gonna be lovin' you o baby girl  
I got what you want I got what you need  
it's all in me  
If you say what you mean and you mean what you say  
my love will be here always  
lately i've had the strangest feelin'  
a feelin' I can't denie  
that angels are watching over us and our love  
angel watching over you over me [4x]  
never givin' up on this love  
never givin' up your all i'm thinkin' of [3x]
