

# Lawdy Miss Clawdy

Fats Domino

When I lawdy lawdy lawdy Miss Clawdy  
Girl you sure look good to me  
You got me reelin' and a-rockin'  
But I can't believe it's me You know I give you all my money  
Girl but she just won't treat me right  
You like to ball in the morning  
Come home late at night But I'm gonna tell tell my mama  
Lawdy what you've been doin' to me  
You got me reelin' and a-rockin'  
Just like a willow tree When I lawdy lawdy lawdy Miss Clawdy  
Girl you sure look good to me  
You got me reelin' and a-rockin'  
But I can't believe it's me You know I give you all my money  
Girl but she just won't treat me right  
You like to ball in the morning  
Come home late at night But I'm gonna tell tell my mama  
Lawdy what you've been doin' to me  
You got me reelin' and a-rockin'  
Just like a willow tree Well now Bye Bye-bye Baby  
Girl you sure look good to me  
But I'm tired of reelin' and a-rockin'  
Just like a willow tree
